

## Missouri Propane Gas Association Spring 2022 District Meetings

It's District Safety Meeting time! Check the schedule on the back of this form for the location near you.

This spring once again there will be FREE **meals for CSRs** who register and attend.

We will present several short topics including:

- A refresher on carbon monoxide and propane safety
- Missouri and federal legislation updates
- Missouri Propane Safety Commission news
- MOPERC rebate and program reviews
- MPGA Board opportunities
- Your turn—Time to tell us what you're hearing in your markets

The 2022 Spring District Safety Meetings kick off on March 21 in Trenton and continue throughout the state ending March 31 in Macon. **DISTRICT 4 will be at Lodge of 4 Seasons, starting a bit later at 6:30 pm.** In addition to the program items listed above, you will visit with your peers, enjoy a group meal and have a chance to win door prizes. Everyone from your location is invited.

To ensure that we have enough food and space for everyone, registration is required. Attendees will fill out and return a registration form to reserve a meal and space at the meeting; forms which are available at [www.MissouriPropane.com](http://www.MissouriPropane.com) and will be mailed and emailed several times prior to the meetings. Spouses and guests are welcome. No-show registrations may be billed for the meal if we do not meet the guaranteed minimums. Attendees who do not register one week in advance are not guaranteed a meal.

Once you register, we'll make a name tag and reserve a space for you at the location you choose. We'll see you there!
