

LOOKING TO GET
MORE MILEAGE
OUT OF YOUR BUDGET?

PROPANE CAN DO THAT

ZERO-INTEREST PROPANE BUS FINANCING PLAN

MOPERC will pay 100% of the interest cost on up to \$300,000 in lease purchase financing obtained through Central Bank for new, qualified propane buses replacing older diesel units. Districts can finance up to 4 new buses each year.*

WHY PROPANE?

- ▶ With reduced maintenance costs, propane buses have the lowest total cost of ownership of any buses.
- ▶ Diesel fuel can cost up to 50% more per gallon than propane.
- ▶ Propane buses provide a cleaner and safer environment for students, drivers and staff.

WHY A ZERO-INTEREST BUS FINANCING PLAN?

- ▶ Budgets are tightening for school districts across Missouri and throughout the US.
- ▶ Pay \$0 in interest for the qualifying purchase of a new propane school bus.
- ▶ Save money in interest that can be allocated to other areas to further benefit students and your community.

**Available for qualifying purchases and restrictions may apply.*

ZERO INTEREST PROPANE BUS FINANCING PLAN

Propane buses have the lowest total cost of ownership of any bus fuel types and provide a safe and clean environment for students, drivers, staff and communities. Now more than ever, propane autogas school buses can help your district get more mileage out of your budget.
