

Missouri Propane Gas Association

Spring 2024 District Safety Meetings

You spoke, we listened!

The 2024 Spring Safety Meetings will feature two formats. Some will be the traditional evening presentations. Others will be noon events, a “lunch-and-learn” opportunity that should make this information more accessible to a wider audience.

Check the schedule on the back of this form for the location near you. **Now offering on-line registration!**

At this year’s Spring District Safety Meeting we will be discussing the upcoming changes to NFPA 54 and NFPA 58.

At the lunch meetings, we will have Evergreen Generator Company displaying the new propane powered generator.

To ensure that we have enough food and space for everyone, **registration is required.** Attendees will fill out and return a registration form to reserve a meal and space at the meeting; forms and online registration located at www.PropaneMissouri.com and will be mailed and emailed several times prior to the meetings.

Spouses and guests are welcome. No-show registrations may be billed for the meal if we do not meet the guaranteed minimums. **Pre-registered attendees will be billed the discounted rate of \$35 for the meal and the meeting. Walk-up registration is \$50 and does not guarantee a meal so be sure to sign up today!**

By registering, you will receive:

- A name tag which ensures your meal and materials
- Discounted meal and meeting cost
- Eligibility for door prizes
- Certificate of Safety Meeting attendance

We look forward to seeing you at the MPGA District Safety Meeting near you!
